

Registration Form and Cancellation Policies

(This form may be used for the Petroleum Geophysics Summer School 2008 or our Short Course Programs.)

Mail completed form with full tuition, or \$100 deposit to cover processing fee, to:

Short Course Program

Department of Geosciences

University of Houston

312 Science & Research I

Houston, Texas 77204-5007

REGISTRATION: Positions in the course cannot be guaranteed until the \$100 deposit has been received. **Full tuition is due 3 weeks prior to commencement of course.**

CANCELLATION: UH Geosciences will refund the tuition, less the processing fee of \$100, if the request is received no later than 3 weeks prior to the course. Cancellation must be made in writing; the registrar will accept cancellation notices by telephone (713-743-3853) or fax (713-748-7906), but all such notices must be followed up by mail. **No refund will be made for cancellations received less than 3 weeks prior to a course being given.** UH Geosciences reserves the right to cancel a course if enrollment is insufficient to ensure proper effectiveness; in such cases, full refunds will be given. Substitutions for individuals can be made at any time.

Field Seminar Release: For Field Seminars, prior to departure the field trip leader will ask you to sign the release and indemnities agreement. All participants of field seminars will be required to sign the agreement.

US Tax Deduction: The general rule is that a taxpayer can deduct, as ordinary and necessary business expenses, expenses for education undertaken for the purpose of:

- 1) Maintaining or improving skills required in his employment or other trade or business, or
- 2) Meeting the express requirements of his employer or the requirement of applicable law or regulations imposed as a condition to the retention by the taxpayer of an established employment relationship, status, or rate of compensation.

Check with your tax advisor for further information.
